

Matrix of Capacity Building Approaches for Ocean Science, Observations, and Data/Information Management

	IAEA	IFS	INOC	IOC	IOI	NAM	PICES	POGO	SCOR	START
Grants to attend meetings	X	X		X			X		X	X
Grants for short-term training in ocean obs	X		X					X	X	
Grants for short-term training in ocean research			X			X				
Grants for training in data and information mgmt			X	X						
Summer Schools			X	X		X	X		X	
Training for professionals	X	X	X	X			X			
Training through research	X	X	X	X						X
Bursaries in developing country institutions								X		
Ship-board experience			X	X				X		
Visiting Professorships								X	X	X
Centers of Excellence in oceanography training				X				X	X	
Leadership training				X	X					X
Distance Learning				X						
Internships in International Secretariat				X			X			

IAEA = International Atomic Energy Agency

IFS = International Foundation for Science

INOC = Inter-Islamic Science and Technology Network on Oceanography

IOC = Intergovernmental Oceanographic Commission

IOI = International Ocean Institute

NAM = Non-Aligned Movement Science and Technology Center

PICES = North Pacific Marine Sciences Organization

POGO = Partnership for Observation of the Global Oceans

SCOR = Scientific Committee on Oceanic Research

START = The System for Analysis Research and Training
