

## Countries from which scientists can obtain SCOR support through SCOR's program of funding for ocean science meetings

Individuals from the following countries are eligible to receive support for their travel to ocean science meetings approved by SCOR. Individuals seeking support should apply directly to meeting organizers, not to SCOR. Meetings supported are listed at [http://www.scor-int.org/SCOR\\_Travel\\_Support.htm](http://www.scor-int.org/SCOR_Travel_Support.htm). Travel support is through a grant to SCOR from the U.S. National Science Foundation and thus is provided within U.S. government grant requirements.

Afghanistan	El Salvador
Albania	Equatorial Guinea
Algeria	Eritrea
American Samoa	Ethiopia
Angola	Fiji
Armenia	Gabon
Azerbaijan	Gambia, The
Bangladesh	Georgia
Belarus	Ghana
Belize	Grenada
Benin	Guatemala

Peru	Ukraine
Philippines	Uzbekistan
Romania	Vanuatu
Russian Federation	Venezuela
Rwanda	Vietnam
Samoa	West Bank and Gaza
São Tomé and Príncipe	Yemen, Rep.
Senegal	Zambia
Serbia	Zimbabwe
Sierra Leone	

This list includes countries ranked by the World Bank as having "low income", "lower-middle income", and "higher-middle income", based on gross national income (GNI) per capita. The World Bank classifications, in some cases, include regions of countries as separate entities and we follow the same convention. Updated: 28 December 2018. See <http://data.worldbank.org/about/country-classifications/country-and-lending-groups>
