FROM: Coordinator

TO: National Committees for Oceanographic Research
Local Committees for Indian Ocean Expedition
Various Individual Laboratories and Scientists

Enclosed, herewith, is one set of five documents dealing with current status of planning for the International Indian Ocean Expedition. These are being forwarded air mail for assistance in your planning.

Additional sets are being forwarded by sea mail or comparable surface routing to the first two categories of addressees to assist in developing plans.

Very sincerely yours

Robert G. Snider
