

Ref. 033.423

April 29, 1963.

The Director,  
Office of Oceanography,  
UNESCO,  
Place de Fontenoy,  
PARIS 7, FRANCE

Dear Warren,

Some comments on IIOE Information Paper 2.

2.1 I think SCOR has not recommended any data form.

3. There is some confusion and much lack of knowledge on reference stations. In the next Paper I suggest you give an authoritative list of those definite and those still under discussion.

Yours sincerely,

(G.F. HUMPHREY)  
President
