9.0 SCOR-RELATED MEETINGS

9.1 SCOR Annual Meetings

The SCOR 2020 meeting was originally planned to be in Guayaquil, Ecuador hosted by the Instituto Nacional de la Armada (INOCAR). Due to the COVID pandemic, the meeting had to be held virtually. The 2021 meeting is scheduled to be in Busan, Korea hosted by the Korea Institute of Ocean Science and Technology (KIOST). The INOCAR hosts remain enthusiastic about having a SCOR meeting in Ecuador and could organize it in 2022. Invitations are open for locations for SCOR Annual Meetings after 2022. See full section in Tab 9 for locations of past SCOR meetings and a summary of the SCOR-related meetings since the 2019 Annual SCOR Meeting in Toyama and planned for 2021 within the uncertainties of COVID limitations.
