Dear Mr Rao,

Mr Laclavere has informed me that \$3,200 is now available to SCOR from the UNESCO Subvention and is to be used in accordance with the Directives concerning UNESCO's relations with NGO's (1962 Year Book pp. 89-98).

It seems to me that the activities of SCOR-UNESCO Working Groups 15 and 17 ("Photosynthetic Radiant Energy" and "Determination of Photosynthetic Pigments") accord with the Directives. I suggest that you use the \$3,200 to help pay the expenses we shall have for these groups.

Yours sincerely,

(G.F. HUMPHREY)
President
